Afternoon Fireflies: Stories and Crafts- Come in and enjoy new stories and crafts Thursday afternoon each week!

Craft of the Week- Please note that each week the PRC provides different materials for design and creativity. The purpose of these materials is to introduce children to new textures, ideas, fine motor skills, and endless possibilities! We strive to encourage process, meaning the journey through the project, over product, meaning finished result, however there are suggestions for what the materials could be. All materials are available due to generous donations and local community support. Enjoy! Let us know if you would like to provide materials for "Craft of the Week".
